

5 Careers That Use AP[®] English Literature and Composition

Oh, the possibilities...

Writers and Journalists

Communicate with masses of people worldwide. Their words entertain, inform, and provoke on a broad scale.

Teachers and Librarians

Help others see the usefulness of stories on a personal level by tailoring instruction to individuals.

Psychologists and Counselors

Understand what makes humans tick and contribute to healing those who suffer.

Film and Stage Directors

Bring stories about compelling characters to life.

Sociologists

Study how society affects people and people affect society.
